About me

I am a researcher at Kraks Fond – Institute for Urban Economic Research and a PhD student at the University of Copenhagen. I have a Master degree in Sociology from the University of Copenhagen. My research focuses on how people disperse themselves within the cities as well as the underlying reasons behind why people move and the corresponding moving patterns.

Current Position

- 2017 Ph.D. Student, Institute for Geoscience and Natural Resource Management at the University of Copenhagen & Kraks Fond - Institute for Urban Economic Research
- 2017 Researcher, Kraks Fond - Institute for Urban Economic Research, Denmark

Previous Positions

- 2017 Master Thesis Student, Kraks Fond - Institute for Urban Economic Research, Denmark
Project: Moving Patterns and Choice of Residence Among People Who Have Lost Their Spouse or Partner as a Result of Sudden Death
- 2016 Research assistant, Kraks Fond - Institute for Urban Economic Research, Denmark
- 2012-2013 Interviewer, Statistics Denmark (Danmarks Statistik)

Education

- 2017 M.Sc. in Sociology, University of Copenhagen
- 2014 B.Sc. in Sociology, University of Copenhagen, Denmark

Work in progress

Egsgaard A., Geerdsen L. P., Lyngemark D. H. & Mulalic, I. 2017. Do sharing economies change the cities: evidence from the rapid growth of Airbnb in the Copenhagen metropolitan area.
