About me

I am a researcher at Kraks Fond – Institute for Urban Economic Research and a PhD student at the University of Copenhagen. I have a Master's degree in Geography and Geoinformatics from the University of Copenhagen. My research focuses on the location of firms, foreign direct investments, the geographic distribution of the workforce and migration.

Current position

- 2016 PhD Student, Institute for Geoscience and Natural Resource Management at University of Copenhagen & Kraks Fond Institute for Urban Economic Research
- 2016 Researcher, Kraks Fond Institute for Urban Economic Research

Previous positions

- 2017 Teaching assistant in Urban and Regional Development, Section for Geography, Institute for Geoscience and Natural Resource Management at University of Copenhagen
- 2015 Master Thesis Student, Kraks Fond Institute for Urban Economic Research Project: Examines how the geography of the workforce is affected by company closures
- 2012-2015 Research Assistant, Kraks Fond Institute for Urban Economic Research

Education

- 2015 MSc in Geography and geoinformatics, University of Copenhagen
Specialisation in Transformation of Cities and Landscapes
- 2013 BSc in Geography and geoinformatics, University of Copenhagen
